

## **CURRICULUM VITAE**

**Martha Heath Beach, RN, DNP, MS/MEd**  
*CNS, ARNP, CNOR CRC, CCM, CLCP, CCRN, CNRN, CNOR, CNLCP,*  
*CCNS-BC, ACNP-BC, LNCC, APRN*

Mailing Address:  
7996 4<sup>th</sup> Avenue South  
St. Petersburg, Florida 33707  
415-533-3305 (cell)

**EDUCATION University of South Florida, Tampa, Florida**  
Doctorate of Nursing Practice  
*August 2020 – May 2022*

**The Ohio State University Medical Center, Columbus, Ohio**  
Family Nurse Practitioner Certificate  
*September 2012 – pending*

**University of South Florida, Tampa, Florida**  
Acute Care Nurse Practitioner  
*January - December 2009*

**University of California San Francisco, San Francisco, California**  
Major: Masters of Science  
Neuroscience Clinical Nurse Specialist – Critical Care/Trauma  
Sigma Theta Tau International Honor Society – Alpha Eta Chapter  
3.9/4.0 - GPA  
Minor: Nursing Education  
*August 2006 - June 2008*

**Stanford University Hospital, Palo Alto, California**  
Clinical Nurse Specialist  
Critical Care/Trauma: Neurology/Neurosurgery/Neurovascular  
Advanced Practice Nursing Residency  
*Fall 2007 – Summer 2008*

**Kennesaw State University, Atlanta, Georgia**  
Bachelor of Science  
Nursing 3.6/4.0 GPA President's List  
National Society of Collegiate Scholars  
Golden Key International Honor Society – # 3691977  
*September 2004 – December 2005*

**University of Georgia, Athens, Georgia**  
Masters of Education - Rehabilitation Counseling  
3.8/4.0 GPA Dean's List/President's List  
*September 1991 – March 1993*

**University of Georgia**, Athens, Georgia  
Bachelor of Arts & Science  
Psychology (Dean's List)  
*September 1986 – June 1991*

**Georgia Highlands College**, Rome, Georgia  
Associate of Science  
Economics  
3.0/4.0 [President's List]  
*August 1985 – June 1986*

## **EXPERIENCE**

**CW Young Department of Veterans Affairs Medical Center**, Bay Pines, Florida  
Surgery Department  
Surgical Critical Care and Perioperative Care  
Acute Care Nurse Practitioner  
*April 2015 – present*

- Prehabilitation Surgical Frailty Program, Lead
- Provide acute surgical care across the perioperative continuum, as needed
- Medically manage frail surgical patients in the perioperative period, including the development of clinic consultation for episodic care of frail veterans
- Provide preoperative full history and physical examinations for surgical patients, as needed
- Interpret radiological and neurodiagnostic films and images
- Prescribe medications related to the treatment of patients throughout the perioperative continuum of care
- Orientation of Nurse Practitioners, as needed
- Veteran Health Administration: Nurse Qualification Standards Advisory Team
- SME (Subject Matter Expert): CWY VA APRN Qualification Standards for all newly hired APRNs
- Chair, Advanced Practice Nurse (APN) Council
- Nursing Executive Committee (NEC) Member
- Nursing Congress (Ad Hoc Member)
- Veteran Healthcare Administration VISN 8 APRN Workgroup Member
- Veteran Healthcare Administration VISN 8 NQS Station Advisory Committee
- CW Young VA Medical Center: Quality and Safety: EPRP Group Member
- Facility Surgical Workgroup Member (FSWG)
- Provide nursing education new staff nurses via presentations, as needed, regarding neurological, critical care, rehabilitation care of veteran patients

**Catastrophic Case Consultants, LLC**  
**Db/ Law Nurse, LLC**, Saint Petersburg, Florida  
Life Care Planner/Nurse Expert

*March 2003 - present*

- Provide full medical-legal life care planning, expert testimony and Medical Cost Projections focusing on the following diagnoses: ○ Brain Injury & Spinal Cord Injury ○ Neurological Disease ○ Severe Burns ○ Multiple Amputations
- Develop lifetime medical/rehabilitation financial cost projections to assist in the budget and financial reserve process
- Medical Billing Reviews/Audits
- Nationwide and International Expert Testimony

**Largo Medical Center, Largo, Florida**

Neurosurgery/Orthopedic Surgery Nurse Practitioner

Acute Care Nurse Practitioner

*July 2013 – October 2014*

- Provide acute neurosurgical medical care across the continuum of a care
- Medically manage spine surgery, brain tumor, spinal tumor, neurotrauma throughout the neurosurgery admission
- Provide full history and physical examinations, documentation and dictation and procedural consent for pre-operative and pre-anesthesia patients, discharge summaries
- Interpret radiological and Neuro-diagnostic films
- Prescribe medications related to the treatment of critically ill and emergently ill neurosurgical/endovascular patients throughout the trauma/emergency continuum of care
- Assist attending neurosurgeon and orthopedic surgeon with all aspects of patient care as needed

**The Ohio State University Medical Center, Columbus, Ohio**

Neurosurgery/Neurovascular Stroke Nurse Practitioner

Acute Care Nurse Practitioner

*May 2011 – June 2013*

- Participate and coordinate neurological/neurovascular patient research as a Clinical Research Coordinator
- Provide acute neurovascular/neurosurgical medical care across the continuum of a Level I Trauma Center
- Medically manage all cerebrovascular accidents of ischemic/hemorrhagic stroke, brain tumor, spinal tumor, traumatically induced subarachnoid hemorrhage, aneurysm, neurotrauma throughout the neurosurgery admission
- Provide full history and physical examinations, documentation and dictation and procedural consent for pre-operative and pre-anesthesia patients, discharge summaries
- Participate in patient care for outpatient clinic for endovascular/neurosurgical cases

- Assist with outpatient Neurosurgery / Neurovascular Patient Clinic
- Interpret radiological and neuro-diagnostic films
- Prescribe medications related to the treatment of critically ill and emergently ill neurosurgical/endovascular patients throughout the trauma/emergency continuum of care
- Assist attending neurosurgeon with all aspects of patient care as needed
- Administrative department responsibilities for data collection, quality monitoring, and oversight of clinical order sets related to Joint Commission readiness
- Assisted the preparation and attainment with recent Comprehensive Stroke Center Program designation
- Provide hospital-wide stroke education to nursing and medical staff and outside referral hospitals
- Provide marketing assistance with clinical presentations and membership to local stroke organizations such as The Coverdell Group, COTS and ASA

**Tampa General Hospital, Tampa, Florida**  
 Neurovascular/Endovascular Neurosurgery  
 Acute Care Nurse Practitioner  
*December 2009 – January 2011*

- Participate and coordinate neurological patient research
- Provide acute neurovascular/neurosurgical medical care across the continuum of a Level I Trauma Center
- Medically manage all cerebrovascular accidents of ischemic/hemorrhagic stroke, brain tumor, spinal tumor, traumatically induced subarachnoid hemorrhage, aneurysm, neurotrauma throughout the endovascular admission
- Provide full history and physical examinations, documentation and dictation and procedural consent for pre-operative and pre-anesthesia patients
- Participate in patient care for outpatient clinic for endovascular/neurosurgical cases
- Assist with outpatient Neurointerventional Radiology Patient Clinic
- Interpret radiological and neuro-diagnostic films
- Prescribe medications related to the treatment of critically ill and emergently ill neurosurgical/endovascular patients throughout the trauma/emergency continuum of care

**Tampa General Hospital, Tampa, Florida**  
 Neurotrauma Critical Care Unit  
 Clinical Education Specialist  
*August 2008 – November 2009*

- Provided direct teaching of all critical care nurses of the neuroscience ICU
- Coordinated critical care nursing teaching and practical experience

- Judged and assessed nursing care provided by experienced and new critical care nursing staff
- Hired and interviewed new nursing and ancillary staff

**University of California San Francisco Medical Center, San Francisco, California**

*Critical Care Nurse – Clinical Nurse II - Staff July 2006 – August 2008*  
Neurosurgical Intensive Care Unit

- Provide critical care nursing throughout the neuroscience intensive care unit
- Charge Nurse
- End-of-Life Committee Member – Neurosurgical Representative
- Assists with Neuroscience Nursing Education and Training for the NICU
- Provide expert oversight to quality improvement, risk management and patient safety initiatives
- Monitor and develop quality performance measures related to nursing care and medical interventions
- Provide detailed audits of medical charts for external surveys
- Unit preparation for DHS, CMS & JCAHO surveys
- Medication Safety Nurse to educate and ensure patient safety
- Serve as a preceptor nurse for critical care orientation
- Assist with Neuro Lectures to CCTP (Critical Care Training Program)
- Participated in bedside neurological patient research

**Florida Hospital, Orlando, Florida**

*Critical Care Nurse - Staff*

Department of Neurosciences

Neuro Critical Care / ICU

*January 2006 – July 2006*

- Provide critical care nursing throughout the neuroscience intensive care program

**MedLegal Consulting Source, LLC, Los Angeles, California**

*Life Care Planning Expert, Expert Witness and Legal Nurse Consultant*

*March 2008 – October 2012*

- Provide full medical-legal life care planning, expert testimony and Medical Cost Projections focusing on the following diagnoses:
  - Brain Injury & Spinal Cord Injury
  - Neurological Disease
  - Severe Burns
  - Multiple Amputations
- Develop lifetime medical/rehabilitation financial cost projections to assist in the budget and financial reserve process
- Medical Billing Reviews/Audits
- Developing company-wide products in response to client needs and market demands
- Expert Testimony

**Patient Safety Technologies, Inc., Temecula, California**

*Operating Room Consultant*

*January 2004 – October 2007*

- Nationwide medical-legal consultation and strategic education of patient safety issues and device for the OR (operating room)
- Provide expert oversight to quality improvement, risk management and patient safety initiatives

**General Reinsurance Corporation, Stamford, Connecticut**  
**Subsidiary of Berkshire Hathaway**

*Officer and Catastrophic Medical Executive*

*July 1999 – January 2003*

- Department Financial approval for claims greater than \$250,000
- Provided nationwide assistance serving executive/claim/legal departments of insurance (client) companies in medical management and audits for risk management and medical malpractice
- Assisted in the strategic medical-legal advice on hundreds of catastrophic medical malpractice, liability and workers compensation claims
- Served as the Catastrophic Medical Advisor to client insurance companies domiciled in Southern United States
- Developed economic medical plans for purposes of forecasting accurate reserves for both clients and Company claims
- Provided direct and indirect case management on several hundred catastrophically injured patients from the ICU to long-term Care

**Wright Rehabilitation Services, LLC, Atlanta, Georgia**

*Director of Development/ Case Management*

*September 1998 – June 1999*

- Interviewed and hired staff primarily consisting of catastrophic case managers
- Recruited, developed and managed field medical/disability case managers
- Served as an expert clinical resource for nurse staff and claim case management peers on development of outcome strategies for case
- Managed direct staff regarding performance issues related to program goals and objectives, via on-going coaching and career development advice
- Ensured compliance with licensing, certifications and regulatory requirements for direct staff reports
- Communicated directly with customers, prospects, sales and service on issues regarding the delivery and referral criteria associated with the case management products
- Responds to various inquiries regarding programs and services of case management offered

**Shepherd Center Hospital, Atlanta, Georgia**

*March 1995 – August 1998*

- **National Marketing Manager/Clinical Evaluator/Educator**
  - Insurance contracting, provided clinical evaluations for admission and provided catastrophic case management/claims' education

- Served as an integral team member for developing quality of care programming
- **Program Case Manager**
  - Assisted in the development of the Brain Injury & Dual Diagnosis (Spinal Cord Injuries) Programs
  - Provided case management and program management to inpatient rehabilitation & nursing staff
  - *Provided residency/precepting for graduate students from University of Georgia and University of Florida*

**The Rehabilitation Institute @ NE Georgia Medical Center,**  
Gainesville, Georgia

*January 1993 – February 1995*

- **Program Case Manager** – Inpatient Ortho/Neurorehabilitation Unit
- **Program Case Manager** - Outpatient Neurorehabilitation
- *Provided residency/precepting for graduate students from University of Georgia and University of Florida*

**Meadowbrook Rehabilitation Hospital,** Atlanta, Georgia

*Neuro-Brain Injury Case Management*

Graduate Intern
